

Notes Business meeting 2/25/17

At this point we are still unable to get funds for Dinner meeting for 3/13/17, Chris B has been going through the BS endo grant process but she is still unable to secure. We may have to order pizza or something and pay out of our region. I am going to try to contact Matt Marino tom 2/27 see if he has any suggestions.

Interest shows for SATURDAY meetings over merging with the North, thoughts of 2 – 2hour Saturday meetings instead of our 4 Monday nites? Vote in March see to move for 2018, may not be enough notice for us to secure space? Pick 2 Saturdays a year like 2nd Saturday in February and October?

Need to work on getting speakers, so we can work on flyer and grants plz forward info to Catherine S

Catherine S stepping up for Pres elect 2017, Pres 2018

Kathy Cala Sec. (temp)

Paypal will charge 3% / transaction if we choose to use for our conference, really \$3.00 per person, is it worth it? Asking Joe Cece (web guy) if he can do a button on our webpage

Having a debit card maybe easier for treasurer or is checkbook/reimbursements still ok for all?
